MAHA'ULEPU**

NĀ HOA O MAHA'ULEPU

Lucky We Live Kaua`i

Join Friends of Maha`ulepu and financial expert John Kilpatrick, PhD. on Thursday, July 14, 2016 at the Koloa Neighborhood Center. Learn more about the harm to our island, economy and property values and how **you** can help. Get tips on how you can respond to Hawaii Dairy Farm's (HDF) Draft EIS for their proposed 2,000 cow dairy operation at Maha`ulepu, less than 1 mile upslope from the beautiful Maha`ulepu Beach and Coastline.

Are you ready to let a corporate billionaire, with a home and headquarters on Oahu, put our homes, way of life and beautiful island at risk? Just think about the impact to more than 2,600 South Shore jobs, while putting our water and ocean at risk from 2 million pounds of manure and urine for milk that will be shipped off island. The odor and biting flies carried by our trade winds will change the South Shore and Kaua`i forever as the dairy plagues nearby homes, businesses and resorts. Let your voices be heard.

**Koloa Neighborhood Center
3461 Weliweli Road
Koloa, HI 96756**

Thursday, July 14, 2016
